CSAIL Academic Genealogy
Based on data from the Mathematics Genealogy Project (NDSU, AMS) and other sources
Last updated 2010-Dec-31 (Thanks to Jeff Shrager)
Former CSAIL, AI, and LCS PIs are outlined in CSAIL grey
2010 Ph.D. recipients are outlined in thick MIT red
2009 Ph.D. recipients are outlined in thin MIT red
Note: Dates are for the Ph.D. degree, not for the time at MIT. Dates with question marks are those that could not be pin-
Some year estimates are based on the predictions you do know. Below, and on back (where space) or which dissertations granted their doctorate.
We welcome TLC(Bob@CSAIL.MIT.edu)!
