CTSS BULLETIN #16

GPSS Command

GPSS II (General Purpose Systems Simulator, Version II) is now a public command. For information on GPSS the user should consult the Reference Manual, "General Purpose System Simulator II", Form B20-6346, IBM Corporation, 1963. This manual is available in room 926 Technology Square and room 26-153. For information on how to use the GPSS command the user should consult "On-Line Version of GPSS II", by M.M. Jones, Memorandum MAC-M-140, Project M.A.C., M.I.T., March 10, 1964. This memorandum is available in room 837 Technology Square.
