TO: MSPM DISTRIBUTION
FROM: C. GARMAN
SUBJ: FILE SYSTEM COMMAND OVERVIEW
DATE: 02/07/67

The enclosed MSPM section completes the re-organization and
review of the File System Commands, and serves as a companion
to and reference for BY.2.00, File System Library Procedures.
The table below shows the correspondence between old and new
BX.8 section numbers and names; the sections not yet published
will be issued at a later date, when specified or re-written.
