Identification

Appendix to check_configuration, BL.3.05
A. Sasaki

Figure 1 in BL.3.05 was a wrong copy.

Figure 1 in this section is the correct copy.

"take address" in Figure 3 should read "fake address".

"chick snap_shot" in Figure 2 should read "check snap_shot".

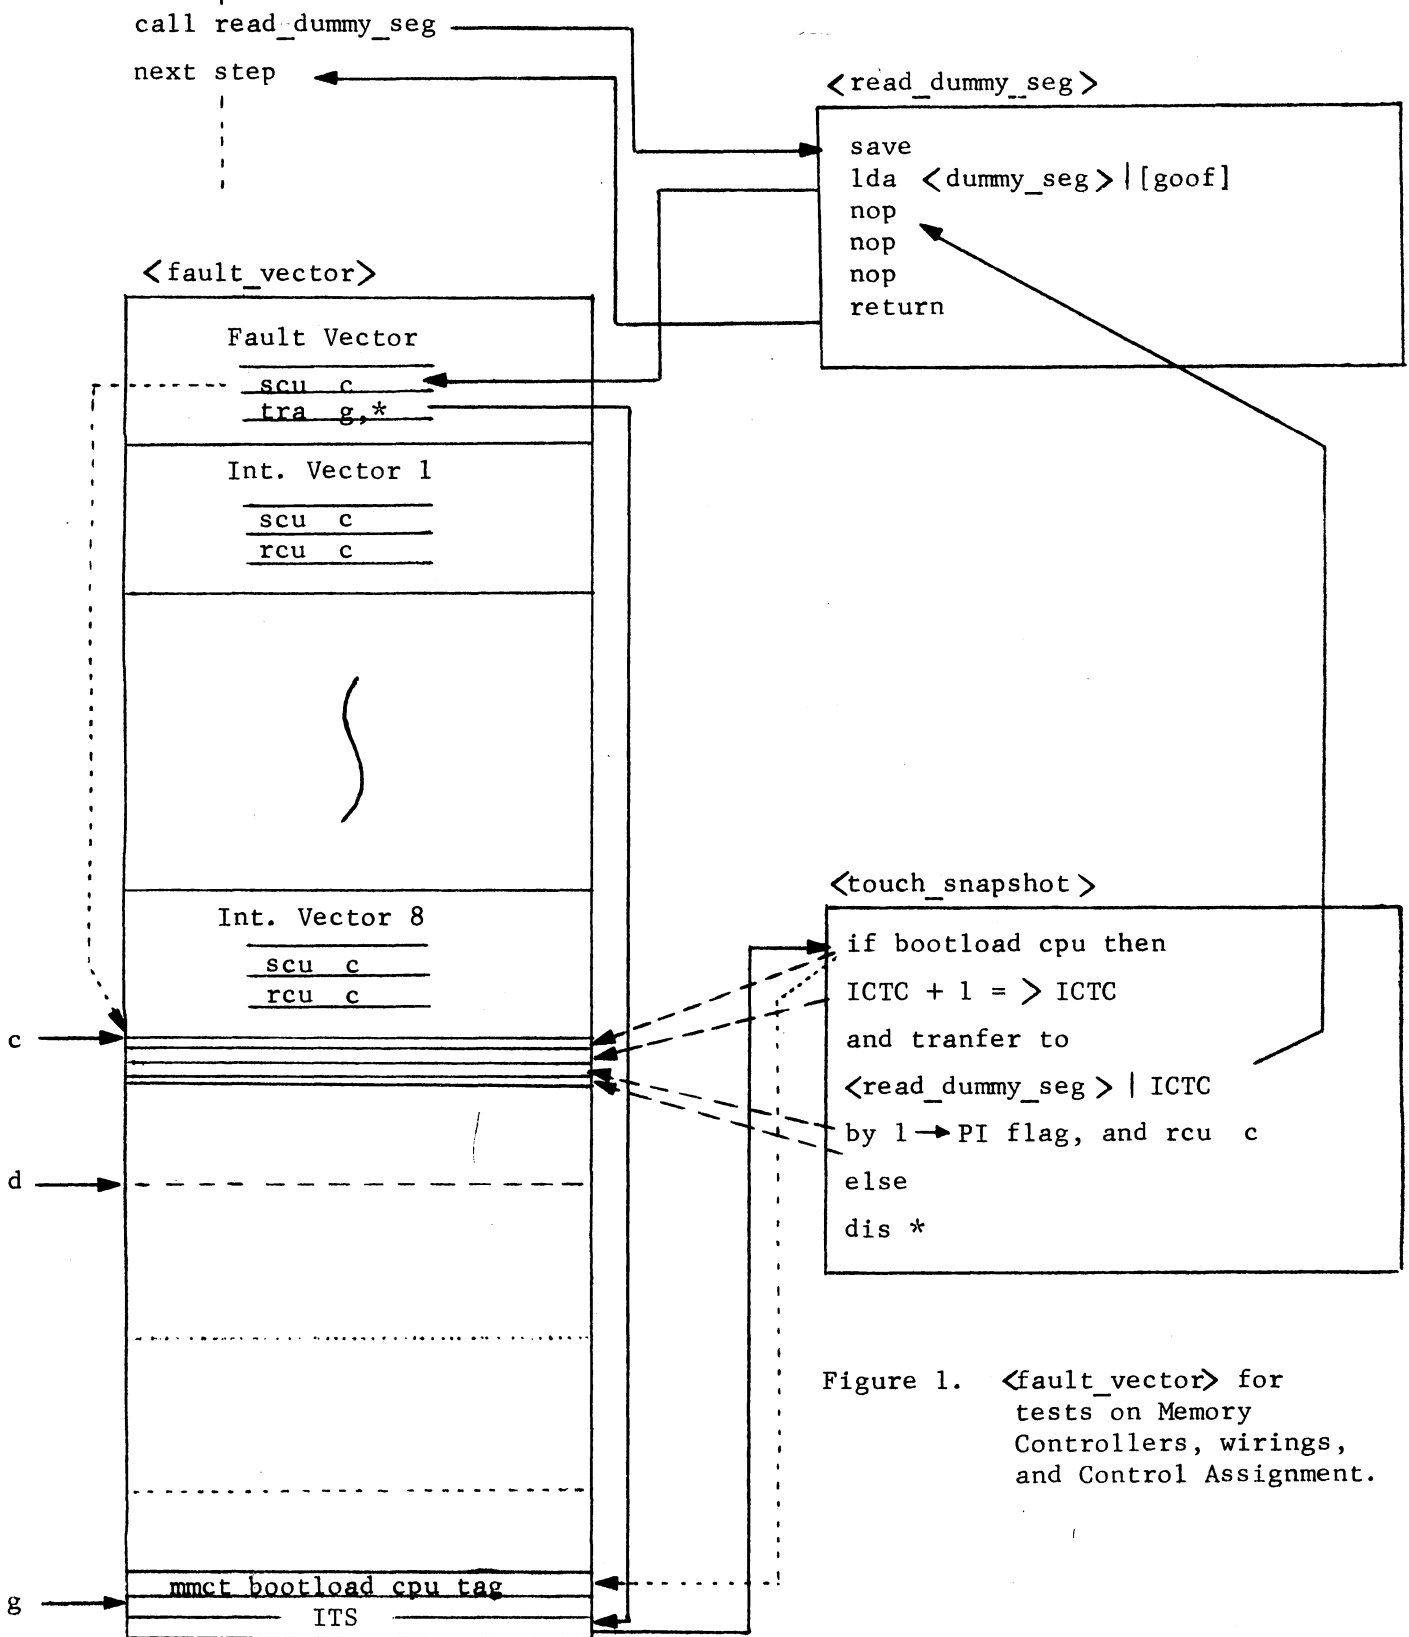

Figure 1. <fault_vector> for tests on Memory Controllers, wirings, and Control Assignment.
