Subject: Minutes of the Meeting of January 29, 1970

-
1. The M. I. T. -GE machine contract and patent agreement will be signed within a month. When the final form is returned to M. I. T. (some time next week), it will be distributed for comments. Ten days after that time, it will be signed as amended by M. I. T. and sent back to GE for signature.
 2. The contract for the period ending December 31, 1969, has been signed.
 3. Judy Spall and Terone Seymour will join the IPC staff as members of John McManus' group.
 4. The Multics "Ribbon Cutting" will take place. J. Grochow will begin (resume?) investigations as to the protocol and arrangements for this event.
 5. A discussion of the purpose of the Multics Planning Meeting (hereinafter referred to as the Multics Administrative Meeting). The following points were agreed upon:
 - a) It is a useful meeting.
 - b) There will be a short status reporting period at the beginning of each meeting.
 - c) Problems will not be discussed unless sufficient information is available to discuss them. This implies that research assignments will be made for reporting at the next meeting.
 - d) Minutes will be produced.
 - e) Agenda items will be distributed in advance of the meeting if at all possible.
 - f) J. Grochow will chair the meeting.

The next MAM will be held on February 12, 1970, at 11 a. m.
