SUBJECT: Release agreements for SPS and listings

We have discussed the possibility of devising a written release agreement for the System Programmer's Supplement and for Multics listings. As part of the continuation of that discussion, enclosed is a possible draft release agreement form for your comments.

MASSACHUSETTS INSTITUTE OF TECHNOLOGY
and
HONEYWELL INFORMATION SYSTEMS, INCORPORATED

Multics System Programmers' Supplement: Release Agreement

I have received a copy of the System Programmers' Supplement to the Multics Programmers' Manual, and agree to the following restrictions on its use:

1. I will not reproduce it in whole or in part without written permission.
2. I will not use the material contained in it for any commercial purpose without written permission.
3. I will not allow anyone else to violate these restrictions using my copy of the manual.

In addition, I understand that the copy I have received is a possibly inconsistent and out of date snapshot of the organization of Multics, and that as a user of Multics, the information contained in it is not for use in writing programs for Multics.
