Mr. Allan G. Blue
The Advanced Research Projects Agency
1400 Wilson Boulevard, 7th floor
Arlington, Virginia 22209

Dear Mr. Blue:

Enclosed is an advance copy of what we expect to be the final version of our proposal to ARPA and ESD for our security/certification work. Also enclosed, for your information, is a parallel proposal to Honeywell Information Systems Inc., for additional support of the same project. Both of these proposals were submitted for M.I.T. approval today, a process which usually takes about one week.

Sincerely yours,

Jerome H. Saltzer
Associate Professor of Electrical Engineering
Head, Computer Systems Research Division
