

8 December 1970

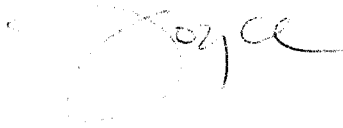

To: Prof. Saltzer

From: R. Joyce Harman

Subject: PL/1 Language Specification

As you know, our supply of PL/1 Language Specification documents is almost nil. We have delayed reprinting, knowing that GE was revising the material.

We now learn that the new document will not be available until "at least the end of January". We therefore will run 50-odd copies for use during the interim -- unless you'd like to modify this figure.

A handwritten signature in cursive script, appearing to read "R. Joyce Harman".
