

# Research on Human-Robot Collaboration

Charles Rich  
Computer Science Department  
Worcester Polytechnic Institute  
Worcester, MA 01609  
Email: rich@wpi.edu

The references below summarize the recent work of myself and research colleagues on human-robot collaboration, relevant to the topic of the workshop.

## ACKNOWLEDGMENTS

This work is supported in part by the National Science Foundation under awards IIS-0811942 and IIS-1012083 and by the Office of Naval Research under award N00014-13-1-0735.
