

Directions to Polina Golland's office, 32-D470.

The image above shows the campus map, with our building (Stata Center, 32 Vassar Street) highlighted in red. It is an unusual building, you can't miss it.

When you get into the building, find the **Dreyfoos Tower elevators** and take one to the 4th floor.

The blue path on the right shows how to get from the elevators to my office, 32-D470.
