Dear Mom & Dad,

I am in every little thing in Virginia. I hope you folks have a good Xmas dinner. We are still sweating out our dinner. I hope it turns out for the best. Someone will get stuck and I hope it isn't us. Just so we get the feed, it really doesn't matter when, one day is just like any other to us.

I finally got a letter from Pt. Virginia, she is in England as you probably already know. It took her letter almost a month to get here. I hope it didn't take that long all the time.

I'm still in the same hole and will be the next time I write. No request this time. Until later than.

Love John
