2 December 69

To: Distribution List
From: L. J. Ryan *L. J. Ryan*
Subject: Multics System Installations

Operations will only accept System Installations between the hours of 08:00 AM and 15:30 PM. System Installations must be accompanied by documentation, with all operational changes noted, and approved by J. McManus and J. Grochow. This procedure will be followed for any System Installation that requires the making of a new system tape. The new system will be installed after the 05:00 AM shutdown.

This procedure becomes effective Monday, December 8, 1969.
