Mr. Henry Nye
General Electric Company
575 Technology Square
Third Floor
Cambridge, Massachusetts 02139

Dear Mr. Nye:

In response to Mr. Phil Davis' letter of September 1 regarding a 300 baud adapter for one GE 645 system, please accept this letter as an order for two SFO 790 units. It is our understanding that the adapter rental price of \$237/mo., plus maintenance, includes full channel capability to interface sixteen 300 baud lines.

Please confirm this order with price, delivery and applicable educational allowance as soon as possible.

Sincerely,

Weston J. Burner, Director
Information Processing Center
