Mr. Henry Nye  
General Electric Company  
575 Technology Square  
Cambridge, Massachusetts 02139

Dear Henry:

In anticipation of full upper and lower case capabilities on your newly announced PRT300, please accept this as an order to replace the two installed PRT202's on our GE 645.

If this type order requires a "Request for Special Product," please process whatever is necessary to ensure earliest considerations.

Thank you.

Weston J. Burner, Director  
Information Processing Center
