Memo to

~~Intell~~  
Sally

- We are doing nothing about this now.  
- The "installation" people will have to add this function as part of their job.  
- Where is the logunit? Advice please?

John, Jerry -

Attached is a draft contract re Multics Software

rights. Don't know what approval status is and be certain that HIS/MIT lawyers don't want us discussing it but....

Pse review, especially items marked on p5. Any ideas on how that might be implemented.
