July 31, 1968

Mr. Paul Cusick
4 - 110

Section 17 of the GE-645 rental agreement appears acceptable for MIT. In the fourth line from the bottom of Paragraph A there is a typographical error: the line should read "any claim of infringement". Although it is an obvious error and need not necessarily be changed, it may be lined out and corrected if you will initial the correction. Other than that there appears to be no patent problems.

Sincerely,

(Miss) J. C. Jones
