Subject: MPM -- Copies

We had promised to get from Mrs. Kontrimus, as soon as she returned from vacation, a tabulation of the questionnaire form on future MPM updates, which we sent out with a recent mailing. Herewith:

IPC	-	225
MAC	-	83
MIT	-	21
Honeywell	-	60
Outsiders	-	<u>33</u>
		422

426

We have been printing 600 copies. The returns suggest that we might cut this printing run.
