Identification

Appendix to BE.7.07: Change in Error Message for LODLKG
J. D. Mills

Purpose

The loader has been changed to handle the revised format of the linkage section header: see BD.7.01.

Error Messages

The following changes have been made in the meanings of reason numbers for error messages from the loader:

<u>Subroutine</u>	<u>Reason</u>	<u>Meaning</u>
LODLKG	3	Unused
	5	Improper format of linkage section header.
